Careers in National Security Law

Part of the 2007 ABA Annual Meeting

Saturday, August 11, 2007 - 9:30 am-11:00 am

Pacific Suite 1, 4th Floor, San Francisco Marriott

Since 9/11, our nation's national security has become a more visible challenge. Whether in government service, military service, academia, or in the private sector, lawyers rise to this challenge in new and exciting ways. Come meet representatives of each sector to discuss what career opportunities may be available now or in the future. Moderated by Major Rodney Bullard, this program presentation will be followed by a Q&A session.
