- ABA Section of State and Local Government
- ABA Standing Committee on Law and National Security

This two-day informative program provides a comprehensive look at some of the most critical issues and initiatives being undertaken as part of the nation's Homeland Security agenda. Whether your background is procurement and public contract law, communications law, health law, administrative law, or general practice, this program provides nuts and bolts information and answers. Interact with high-level current and former officials within the Department of Homeland Security, as well as those working in concert with the Department on a range of issues.
