JANUARY 2008 Privacy Update

**A Brown Bag Program to be held
Tuesday, January 15, 2008
1:00 – 2:00 p.m. EST (Telephone)**

The world of privacy and information security changes rapidly – sometimes daily – and keeping up with legislative, regulatory, enforcement and litigation developments can be a daunting task. To provide a regular forum for discussing new privacy and data security happenings, the Section's Privacy and Information Security Committee together with the Corporate Counseling Committee has launched a monthly Privacy Update. This brown bag program will explore recent legislation, noteworthy enforcement activity, market news and general privacy happenings of interest.

The January program will be the fourteenth in a continuing monthly series, each hosted and presented by a different firm. This month, Covington & Burling LLP will present the update. Erin Egan, David Fagan, and Timothy Jucovy will speak. The program will be moderated by Mary Ellen Callahan of Hogan & Hartson LLP, a member of the committee.

The update portion of the program will last approximately 40-45 minutes and will be followed by Q&A. A PowerPoint presentation will be emailed prior to the morning of the call so participants can follow along and view the slides that are the subject of the presentation.

<p>To RSVP, please e-mail Shelia Spruiell at SLSpruiell@HHLAW.COM. A dial-in number for the program will be e-mailed to you in advance to the e-mail address provided. If you have any questions please contact Diane Odom at (312) 988-5702 (odomd@staff.abanet.org).</p>

Recordings of this Brown Bag will be posted on the Section website's Members Only area and downloadable in an MP3 format, free of charge at <http://www.abanet.org/antitrust/at-bb/bb-audio.shtml>.
