

Diane Bieri serves as Vice President, Compliance Officer and Deputy General Counsel for the Pharmaceutical Research and Manufacturers of America (PhRMA), an association representing the leading research-based pharmaceutical and biotechnology companies in the United States. Prior to joining PhRMA in July 2004, Ms. Bieri was a partner with the law firm Howrey LLP, specializing in litigation of antitrust and complex commercial claims in federal and state courts and federal agencies. While in private practice, Ms. Bieri represented clients in the pharmaceutical, medical device, and contractor services industries, among others. Ms. Bieri is a 1995 graduate (*cum laude*) of the Georgetown University Law Center and a 1992 graduate (*summa cum laude*) of the University of Pittsburgh.
