

CURRICULUM VITAE Nadia Calviño

Director General for Competition

Ministry of Economy and Finance

Spain

Nadia Calviño is Director General for Competition since May 2004. She has worked in the field of competition policy for eight years as Director of the Mergers Division since June 2001, Director of the Legislation and Institutional Relations Division since September 2000 and as Senior Case Officer in the Restrictive Practices Division in years 1996 to 1998.

Her experience in the civil service, which she joined in 1994, includes positions outside the competition field in the General Direction for Macroeconomic Analysis and Forecast and in the General Direction for Foreign Trade Policy.

Graduate in Law and Economics, she combined her work at the Ministry with lecturing at the Universidad Complutense de Madrid for some years.
