

## **2008-2009 Nominating Committee Appointed**

The Section's Nominating Committee is now accepting nominations and expressions of interest for leadership positions for 2008-2009. The open positions are:

Secretary

First Section Delegate (term expiring August 2011)

Four Council members (terms expiring August 2011)

If you've been active in the Section over the years by frequently attending Council meetings and educational programs, if you've been the chair, co-chair, or vice-chair of one or more committees and/or if you've been a contributor to the Section's journal or newsletter, please consider submitting your name for consideration for one of the officer or Council positions for 2008-2009. A "strong preference" will be given to nominees for Council member positions who have not previously been elected to the Section Council.

If you have a strong history of service to the Section, please consider enhancing your involvement as an officer or Council member by submitting your name to the Nominating Committee along with a list of your Section activities. Please note that the Nominating Committee must submit its report not later than June 9, 2008, so send in your letter of interest by April 7 if you would like to be considered.
