Subject: Report of the Nominating Committee

In accordance with the Section's Bylaws, the Nominating Committee hereby submits its report of nominations for the 2008-2009 Bar Year. The members of the Committee met numerous times by telephone to consider a broad range of candidates for possible nomination. The Committee sought candidates who have demonstrated a commitment to and proactive mindset regarding the Section, its activities and its services to members and who reflect the diversity of the Section's membership. In addition, the Committee sought candidates who have the capacity and would be likely to provide the Section with strong leadership for many years.

The Nominating Committee is honored to present a superb slate of leaders. Our nominations for the 2008-2009 Association year follow. It should be noted that the Section's Administration Committee approved a Bylaw amendment increasing the size of the Council by adding three additional At-Large Members. This amendment needs to be approved by the Board of Governors. The affected provisional nominees are indicated with an asterisk.

The Committee believes that the Section will be well served by these individuals and expresses its appreciation for all of the suggestions it received during its deliberations.

Respectfully submitted,

Deborah Enix-Ross
Chair, Nominating Committee

* Officers who automatically accede to their position by virtue of Section Bylaws

** The total of 19 (a) assumes the adoption of the proposed Bylaw increasing the number of At-Large Council Members from 15 to 18, and (b) takes into account a provision in the Bylaws which authorizes the Nominating Committee to nominate up to two additional At-Large Council Members to fill positions (for a one-year term) that would otherwise be vacant due to the fact that certain individuals are voting members of the Council by virtue of two different positions they hold. In 2008-2009, one person (Michael Byowitz) will be a voting member of the Council both by virtue of the Bylaw provision that the four most immediate past Section Chairs serve as voting members of the Council and because he serves as one of the Section's Delegates to the ABA House of Delegates. The Nominating Committee has nominated Carole Basri to serve as an additional At-Large Council Member for a one year term in view of the two voting positions held by Mr. Byowitz.
