Cecilia Mairal joined Marval, O'Farrell & Mairal in 1989 and is a partner of the firm since 1998. Her areas of specialization include banking, corporate finance, restructurings and capital markets law.

She has broad experience in advising investment banks, companies and banks in general regarding complex international corporate finance transactions, including debt and equity issues, syndicated loans, private and public debt and bank restructurings, and project finance.

Previously she worked for the firm Linklaters, London, in 1991 and 1992, and Linklaters, New York, from 1992 until 1994.

She graduated as a lawyer at the Universidad de Buenos Aires in 1988 and obtained an LL.M. at Harvard University Law School, U.S.A. in 1991.

She is currently a member of the Colegio Publico de Abogados de la Capital Federal and of the Harvard Club de la Republica Argentina.
