

# National Conference of State Trial Judges Online Committee Enrollment

The National Conference of State Trial Judges Committee members are very enthusiastic individuals committed to maintaining an efficient, independent judiciary. Many NCSTJ members have expressed the view that Committee work has provided them with **unprecedented professional and personal growth**. The Conference encourages members to become involved and to bring to the attention of these Committees their ideas and concerns so that the objectives and interests of all members can be heard, understood and incorporated into NCSTJ proposals, projects and initiatives.

Enrollment for the NCSTJ 2008-09 Committees begins on *September 2, 2008*. Please note that all Committee members must **re-enroll** on a yearly basis. Enrollment can **only** be done online at the following web address, using your member ID and password:
