

Design your own Traffic Safety Program

The ABA's Judicial Division National Conference of Specialized Court Judges (NCSCJ) will bring national experts to your state. You select the program and the NCSCJ will develop the content and select the faculty, based on the needs and interests of your state's court judges.

The NCSCJ Committee Members work with your State Judicial Educator to determine the best curriculum and presentation methods to deliver the Program you want, and the Program that will fulfill the educational needs of judges in the broad realm of motor vehicle law.

Comments from recent program participants:

"Appreciated...citations to North Dakota Case Law/ Statutes...presenter clearly took the time to present his instruction to his targeted audience."

Instructor was "very well prepared, knowledgeable and informative."

"Very encouraging message for judicial involvement in the community..."

Through interactive lecture, PowerPoint and video presentations, mock trial settings and role play, the instructors, experts in their field, provide an informative and enjoyable learning experience.

Topics could include:

- ⇒ The Role of the Judge
- ⇒ Sentencing
- ⇒ The Judge in Trial
- ⇒ Community Outreach
- ⇒ Criminal Law and Evidence
- ⇒ Arraignment and Plea Taking
- ⇒ Blood/Alcohol Pharmacology
- ⇒ Dealing with Special Cases

For information on how you can bring the Traffic Court Technology Program to your state, please call the ABA Judicial Division
800-238-2667
Ext. 6259.
