***If you are participating on Saturday's call – please note – the dial in number and instructions have changed. Instructions are below.

REMINDER TO 2008-2009 LIAISONS

You must participate on **one** of the scheduled telephone conference calls with Division leadership to discuss the specifics of your role as a Division Liaison:

Saturday, June 14 - 2:00 p.m. – Eastern Standard Time

*U.S. and Canada Dial-In: **NEW DIAL IN # 888/413-1986***

Several minutes prior to the conference, please dial in to the ABA's Conference Center where you will speak to an operator who will take your name down and direct you to the Conference Call.

Failure to participate in one of these calls and not contacting the Chair before at least one of the calls to notify him of your unavailability will result in the termination of your Liaison position. The conferences will be fairly brief, but will serve as an opportunity for the Division leadership to introduce themselves to you and provide you with further information on your position as a Division Liaison.

DATA FORMS: If you have not already completed your Liaison Data Form, please visit <http://www.abanet.org/lisd/liaisons/2008-09packet/accept-form.html> today.
