Americans for Fair Electronic Commerce Transactions Formerly 4Cite.org What Others Say

Comprehensive List of Organizations and Others that Have Opposed or Criticized UCITA

Many letters of opposition have been sent to members of the Drafting Committee that have not been widely distributed. This list is a subset of the collection of papers that have called for an end to the UCITA (Article 2B) project or that have raised major criticisms.

UCITA has been criticized or opposed by:

- 26 Attorneys General
- Software developers
- Every consumer advocacy organization that has looked at it
- Large software customers
- Librarians
- Other independent information content developers (writers, photographers)
- Many law professors

- Additionally, it has been sharply criticized by the [United States Federal Trade Commission](http://www.ftc.gov/be/v990010.htm) <http://www.ftc.gov/be/v990010.htm>

Attorneys General Opposing or Criticizing UCITA:
