

2002-2003 AFFILIATE ASSISTANCE VISITATION PROGRAM

If your affiliate needs help in:

- *Planning, implementing or maintaining public service projects;
- *Organizing the day-to-day operations of your young lawyer organization;
- *Revitalizing your membership and developing new member programming;
- *Or, if you want to learn more about the ABA/YLD and its resources...

PLEASE READ ON!!

The Affiliate Assistance Team is designed to provide you with direct and specialized personal assistance. The Affiliate Assistance Team stands ready to provide your affiliate with an array of services and resources, all designed to help you meet the challenges of leading a young lawyer organization.

How can we help?

We can provide project pamphlets which take you step-by-step through the development of hundreds of public and member service projects. We can put you in telephone contact with persons experienced in the areas in which you seek assistance. We can also arrange a visitation by one or more of our experienced consultants to provide specialized hands-on assistance. **ALL AT NO COST TO YOU!**

To request our help, complete the attached form. After we receive your request, we will contact you to determine how the team can best help you.

We look forward to having the opportunity to provide you with the assistance you need during the coming year, and we encourage you to take advantage of our team's expertise and resources.
