

SOUTH BEACH RESTAURANT GUIDE

The Dining experience in Miami and South Beach is unique. You can find almost any type of cuisine for any price point, but dining in this tropical oasis comes with adhering to some local customs. For example, on most occasions, a reservation is recommended for lunch and dinner. Also, do not be surprised if a restaurant has a dress code. Finally, it is considered passe to split a bill at the table.

This guide list eateries in three areas: the Miami Hotel District, Lincoln Road, and South Beach. After each listing, there is a short description of the restaurant followed by the average price of an entree. Bon Appetite!!!!
